With more than four hundred guards, four branch offices, our own Security Training Centre, and flexible security solutions meeting national and international security standards, Hama Limited has successfully managed small as well as large-scale security operations throughout the country.

OUR MISSION

Our carefully selected Executive Board and Operations Management Team are both composed of national and international experts who understand the Somali environment; particularly the security challenges businesses and families face on a daily basis. Managing these challenges and providing a safe environment, whether it is for your home or your business is our core business.

OUR VISION

We believe in security with a human touch. Therefore, we aim to provide industry-leading security solutions while promoting a business culture founded on dedication, development, effectiveness, innovation, respect, teamwork and trust. Based on these company values, we endorse empowerment as a way to improve the quality of life of both our clients and our employees.

Hama Limited provides a full range of security services across all market segments. Our security solutions are based on highly qualified uniformed personnel providing a visible security presence, as well as exclusive integrated IT approach using up to date information technological equipment and techniques. As a result, we specialize in the areas of:

- **GUARDING**
- **TECHNICAL SECURITY**
- **SECURITY TRAINING**
- **CONSULTANCY**

Following a growing demand of uniformed security services within the Somali context, our security experts have developed a comprehensive uniformed security service package in order to address your specific needs, whether it is for your home or your business. Our certified security guards are trained in a broad range of expertise areas encompassing everything from general guarding to highly specialized security roles:

- **CRITICAL ASSET PROTECTION**
- **CUSTOMER RELATIONS**
- **MOBILE PATROL**
- **CLOSE PROTECTION RESPONSE TEAM**
- **COMPANY SOCIAL RESPONSIBILITY**
- **ACCESS CONTROL**
- **SECURITY ALERT**
- **SECURITY GUARD MANAGEMENT PROGRAM**

Hama Limited not only provides a comprehensive security guard force, we also play a leading role in managing the transition of security guard forces for clients interested in outsourcing and improving the performance of their current security program.

Our External Guard Force Management Program encompasses:

- **GUARD TRANSITION PROGRAM**
- **SECURITY GUARD MANAGEMENT PROGRAM**
- **PHYSICAL SECURITY PROGRAM**
- **TECHNICAL SECURITY PROGRAM**

Unlike many security companies in the region, at Hama Limited we manage our own training center. This gives us full control over the content as well as the quality of our training programmes. Our certified expatriate and local instructors are constantly developing our training curriculum, making sure the training given to our security personnel meets national and international standards.

SECURITY THROUGH EMPOWERMENT

We see empowerment as the key to improve the quality of life of both our clients and our employees. Being the only security company in Somalia with an employee empowerment policy, we do not only promote trust and respect, but also dedication and progression.

Our Employee Empowerment Policy focuses therefore on in-house recruitment; rewarding commitment, experience and knowledge, while providing our employees with the opportunity to develop both personally and professionally within the company.

INTERNAL SECURITY TRAINING

Our professional security training steps are divided into basic, supervisory, specialist, and management security education. Within these levels we currently provide the following courses:

- **Basic Security Training**
- **Security Shift Leader Training**
- **Security Supervisor Training**
- **Response Team Training**
- **Security Manager Training**
- **Investigation Training**
- **Close Protection Training**

Designing technical security systems for efficiency, integrity, longevity and sustainability is an important part of our renowned IT integrated security approach. Our services are divided into two different steps.

TECHNICAL SECURITY INSTALLATION

Throughout the years, Hama Limited has persistently provided cutting edge technology within the areas of Access Control, Building Management Systems and Closed Circuit Television (CCTV). Our versatile security systems are adapted by our experienced IT specialists to meet your specific security needs.
